Does Regulatory Have You Puzzled?

Let NUCATS Regulatory help put the pieces together!

NU investigators and research staff are invited to Drop-In Hours. All are welcome!

Drop-in and a member of our team will answer any questions for a specific research study or general regulatory issues. Regulatory topics include but are not limited to:

- IRB submissions (NU IRB, Lurie Children’s IRB, External IRBs)
- ClinicalTrials.gov
- FDA IND and IDE submissions
- Essential regulatory documentation & binder preparation

**Regulatory 101: What is Regulatory?**

Also, for the first 30 minutes, we will provide an overview of the regulatory process.

**To RSVP email:**
